10th Annual Minnesota Rural Summit

THRIVING BY DESIGN!

A Minnesota Sesquicentennial Kickoff!

MAY 10 – 11, 2007 ... Cragun's Resort and Conference Center ...

The theme for the 10th annual Minnesota Rural Summit is "Thriving by Design! A Minnesota Sesquicentennial Kickoff!" *Thriving by Design* would seek to answer the question; **After 150 years of statehood, if you could start over from scratch, knowing what we know now and the tools we have, combined with the ingenuity of our people, and facing the global pressures around us, how would you "design" Minnesota today to be economically and environmentally sustainable, to carry on with our high quality of life well in the 21st century?**

Prior to the Summit, Minnesota Rural Partners will sponsor a design competition and showcase the resulting ideas at the Summit, to kick off a Sesquicentennial planning and design initiative statewide as part of the 150th Anniversary of Minnesota's statehood.
